

FLOOR COVERING TOOLS

No. 360 Pro Stripper

This top quality hand stripper has a longer 20" handle for two handed operation and additional reach. The scraper head and blade clamp is made from a zinc alloy for extra durability. The blade clamp is fastened with three case hardened slotted head screws. The oversized vinyl grip has a rounded knob on top to fit comfortably in the palm. Comes with one No. 351 .020" thick floor stripper blade which works well for fine floor prep. work such as removal of adhesive residue. Blades are replaceable (No. 351). Net weight: 1 $\frac{1}{3}$ lbs.
