Now Available in South Florida

High quality Cove Base manufactured using 100% Virgin materials. Advanced co-extrusion technology allows for tough scuff-resistant surface while maintaining overall flexibility and ease of installation. The smooth satin finish and intrinsic flexibility helps hide substrate irregularities. All vinyl and rubber base is easy to cut and paintable.

Unique "V-Groove" glue lines provide greater surface area on back of base for vastly improved contact area. Top Return ensures close fit to wall. The compound used consists of durable high resin vinyl. All vinyl wall base is available in our 45 colors to ensure the right selection to complement any design.

Cove & Straight Wall Base
