FLOORING SUPPLIES

FLOOR SHELL®

SPILL BLOCK®
LEAK RESISTANT PROTECTION

COMMERCIAL GRADE CONSTRUCTION BOARD

BREATHABLE HEAVY DUTY HARD SURFACE PROTECTION

- Heavy duty, water resistant, temporary floor protection
- Repels water, mud, paint, and more, protecting your floors from jobsite spills
- Allows moisture & vapors to escape for maximum breathability
- Tough enough to be driven on—approximately 45mil thick
- Easy to install
- 8" scored edge protects baseboards and walls
- 1 roll covers the same area as 10 sheets of masonite
- Less expensive and 1/3 the weight of 1/8" masonite
- More than 3x thicker than builder's paper
- 100% recyclable
- Gain up to 2 USGBC LEED points
- Non-staining
- Works great with FloorShell Seam Tape

PROTECTS

- Granite
- Travertine
- Marble
- Terrazzo
- Stone
- Epoxy
