

CONCRETE STRIPING WITH ARDEX CD™ CONCRETE DRESSING

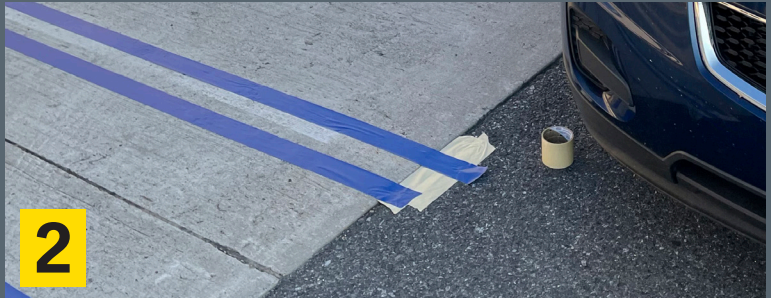

Durable cementitious traffic markings that hold up to heavy traffic on loading docks, trailer paddocks and warehouses.

Available in: White, Yellow, Red and Handicap Blue.

Installation with ARDEX CD™ Concrete Dressing

- 1.) Prep the area
- 2.) Apply the stencil
- 3.) Mix ARDEX CD™ with Classic Coatings Pigment Pack
 - Part # - ARHB-Handicap Blue
 - Part # - ARSY-Safety Yellow
 - Part # - ARFZR-Fire Zone
- 4.) Apply ARDEX CD™ at desired depth
- 5.) Remove stencil, then seal with ARDEX CG™ Concrete Guard when dry

For more **vibrant colors**, use ARDEX CD™ FINE White.
