

Bona[®] Belt UX

8" belt sander with a compact chassis that is easy to maneuver and transport

Modern technology paired with power and precision, the Bona Belt UX is the only belt sander you need. Its unique dual-speed pulley system and infinite drum pressure adjustment assure the highest sanding quality and flattest floor for any wood.

The specially designed cable and hose holder, ergonomic handling, disassembly, and travel dolly were all intended with the contractor in mind. For optimal dust containment, pair it with a Bona[®] DCS.

- Ergonomic feather handle (wide grip, dual handle)
- Height adjustable
- Defined drum pressure
- Atomic DCS[®] compatible
- Optimized for dust containment
- GREENGUARD Certified

Bona[®] Belt UX

8" belt sander with a compact chassis that is easy to maneuver and transport
